Accessories

Σ CASA Central

Smart Gateway

- Connect to Σ CASA Cloud server
- Access, manage and schedule your Σ CASA peripherals remotely
- Send notification to smart phone/tablet when events occur
- Smart Link - setting various combination of conditions and activities
- Built-in WiFi chip and WiFi antenna
- Built-in BLE module
- External BLE antenna
- Built-in power amplifier for extending BLE distance

Accessories

Σ CASA WeatherCube

Outdoors weather forecast & reminder
Indoors a / Humidity / Air pressure sensor

- High Precision non-contact temperature measurement ($\pm 0.5^{\circ}\text{C}$)
- Temperature range: $-20^{\circ}\text{C} \sim +85^{\circ}\text{C}$
- Low battery alarm: the sensor will alarm when battery life is under 28%
- Easy installation, no wiring needed
- WeatherCubeApp provides 24 hour advance weather forecast to help you make best preparation

Accessories

Σ CASA PowerPlug

EU

Smart Plug On-off switch/ Consumption Detection

- Power ON/OFF control, monitor and scheduling
- Power consumption measurement and cost calculation
- Power management for energy efficiency
- Overload warning and protection for security of electricity supply
- Detect and indicate the power consumption of different devices. Start to cut the power by acknowledging the problem source

Accessories

Σ CASA Light

Smart Light

- Replace 60W Incandescent bulb by 10W LED, will save over 80% on electricity bill of lighting
- Light ON/OFF control remotely and scheduling
- Adjust the light dimmer and memorize the setting
- Lifespan is over 25000hrs.
- Save maintenance costs and time on changing bulbs.
- Eco-friendly - RoHS compliant, Lead free and mercury free. No UV or IR radiation
- Easy installation - Can be easily fitted

Accessories

Σ CASA Door / Window

Smart Door Sensor

- Notification sent to your smart phone when door or window is opened
- History record of door/window event
- Easy installation and no wiring needed
- With ΣCASA Link, immediate notification will be sent to your phone if smart door sensor detects any people entering to the home. Also the Smart Camera will be initiated for security check and recording

Accessories

Σ CASA MotionSense

Smart Motion Sensor

- Protect your family and property
- Notification sent to smart phone when a moving objects is detected
- Infrared sensor for accurate detection
- Built-in G-sensor
- IPx4 waterproof
- Easy installation, no wiring needed
- Work with ΣCASA Link, Motion sensor notifies you any event detected in home

Accessories

Σ CASA VibrationSense

Σ CASA SmokeDetect

Smart Vibration Sensor

- Smallest wireless shock sensor based on Bluetooth 4.0
- Mounted to the glass of window or door to detect gross attack, impact and shocks
- Protect house against intrusion
- Easy installation, no wiring needed

Smart Smoke Sensor

- Removable smoke chamber for easy maintenance
- Automatic calibration and self test
- Low battery and malfunction are under full supervision
- Manual test button helps to verify battery status and alarm operation
- Aesthetically appealing professional detector design
- Notification sent to smart phone or table when smoke detector alarm
- Easy to install, move and maintain
- Work with ΣCASA Link, the smoke detector will alarm when motion sensor detect moving objects or when detecting smoke, it will trigger smart IP cam to work
